SPHERE
RANGEHOODS

Clear the Air, Cook Comfortably in Your RV!

Upgrade your RV kitchen with a range hood that takes the hassle out of cooking in tight spaces.

Say goodbye to lingering smells and condensation on your splashback!

This powerful addition quickly extracts hot air and odors, ensuring fresh, clean air circulates throughout your space far more effective than just cracking a window or door.

Keep your RV comfortable and inviting, meal after meal.

FEATURES

- LED lighting strip
- Compact in size
- High volume fans with high air extraction rate
- Runs on 12V
- Easy filter removal for cleaning
- Easy installation
